

Pathway Map to CMIOSH

Advantages of enrolling and achieving Graduate Membership of IOSH via NVQ Diploma Route with Cognitia.

ProQual NVQ Level 6 Diploma Occupational Health & Safety Practice
Versus Academic Diplomas NCRQ / NEBOSH / BSC Diplomas / Degrees

Qualification	NVQ Level 6 Diploma Occupational Health & Safety Practice	Academic Diplomas
Method of assessment	Knowledge assignments (25%) Assessment of performance in the job role (57%) CPD (which will be part of your review for CMIOSH) (18%)	Examinations & essays. High failure rates from examinations
Support Provided	Cognitia provides all required resources via an online portfolio system, with support and guidance from an experienced assessor. Market leading support and materials; one to one support. Unrivalled in the market for support and completion.	Ask your potential provider what they will provide. Support should not be overlooked!
IPD Route Once GradIOSH is achieved	Online assessments with IOSH IPD: Part A: multiple choice questions Part B: 2 essays	You will now need to complete an IOSH Skills Portfolio for your IPD, OR, complete the NVQ!
Mentoring and Support for IOSH Panel Review Interview (PRI)	FREE MENTORING TO CMIOSH once GradIOSH has been achieved through the NVQ.	Ask your potential provider what they will provide
What am I better suited for?	People who are experienced in a health & safety role already. Able to produce evidence through their existing role.	Those who are yet to achieve knowledge on the job. Can take a lot of time off work for revision. More suited to exams and essay writing
Cost	£1400 plus VAT. Interest free credit available over 12 months.	NCRQ £1500 plus VAT. Interest charge is 19.9% APR
